1 Introduction

1.1 Purpose of this Document

This document is a follow up to the MIR Action Plan [1] (July 2002) and will track the progress of MIR through out the lifetime of the project. Our Project Officer, Jose Fernandez-Villacanas, has requested that this document is updated and presented to himself and the Reviewers before each subsequent Project Review.

1.2 Scope

This document is a non-technical publication and shall list the number of different references on the MIR database and the rate at which the database is being used by the members.

2 MIR Statistics

The MONET Information Resource is a continually expanding database of references, lecture notes and applications. Below are the latest statistics on the development of MIR.
